## Peers laud Andy R. Parks as Employee of Quarter

EAGLE LAKE, Maine - Andrew Parks has earned Northern Maine General's Employee of the Quarter for the third quarter of 2019. In honor of his achievements, the NMG Employee Relations Council awarded \$100 to Parks, who is the Scheduling Coordinator for the nonprofit organization's Home & Community Supports Division.

Every quarter, an employee is nominated by his or her peers for outstanding service. The program recognizes the efforts of employees who have exceeded their job duties and supported their divisions and peers. The recognition focuses on

- Attitude and inspiration;
- Collaboration and positive cooperation; and
- Enthusiasm and support for NMG's mission.

"Parks is genuinely invested and cares for the product of his work," wrote one of his peers. "His role as scheduling coordinator requires him to operate within strict parameters to ensure staff in the Home & Community Supports Division receive the best in regards to scheduling."

Another colleague stated that Parks "is one of the pillars" who makes certain the Home & Community Supports Division operates. "He has a positive attitude and offers creative ideas," the colleague wrote.
